PROGRAM : MEETING ON WEDNESDAY, MARCH 11, 2009

Rotary President Prakash Pisipati introduced VP John Cuccia who in turn introduced today's speaker, hypnotist Barbara Swanwick. Ms. Swanwick uses her hypnosis skills to help people with pain management or to help them give up bad habits such as smoking. She is a licensed hypnotist. Hypnosis involves using the power of suggestion, focused attention and heightened awareness. Hypnosis is also used to treat phobias and panic attacks as well as to help athletes be competitive in sports contests. Ms. Stanwick has worked with many athletes. She has helped students win scholarships by working on various aspects of their studies. Ms. Stanwick teaches speed reading in addition to her other skills. She is a member of the Long Island Center for Business and Professional Women. She has appeared on television on both channel 12 and channel 5. Ms. Swanwick screens her clients first to make sure they are suitable for

hypnosis. They must show that they truly want to achieve their goals. John Cuccia responded for the Rotary. He likes sports and believes that hypnosis gives the athlete a focused competitive advantage.
