PROGRAM : MEETING ON WEDNESDAY, July 23,2008

The Farmingdale Rotarians met at Republic Airport where they were treated to a very interesting lecture and tour of the airport by Airport Director Michael Geiger and Airport Manager Shelley LaRose-Arken. They were also treated to a lunch of delicious sandwiches and chips catered by Terry G's restaurant. President Prakash Pisipati, assisted by VP John Cuccia, conducted the meeting. Rotarian Joan Flumenbaum, who is on the airport board, helped arrange the program. Mr. Geiger told the Rotarians that Republic is a general aviation airport and does not have commercial flights. It is an important business cog for the route 110 corridor as many businessmen can fly in and out of the area. The Blue Angels of the U.S, Air Force have sometimes performed there. The new Marriott hotels adjacent to the airport have been doing well and are almost always close to capacity. The airport sits on 530 acres and is the 3rd.

busiest in the NY area with 110,000 takeoffs per year. Presidents on U.S. One have chosen Republic to land in the NY area. Len Constantinopoli responded for the Rotary and thanked Joan Flumenbaum for arranging such an interesting program. He called Republic Airport an important part of Long Island's economy.

TIDBITS

Quote about travel:

“Travel is an inexhaustible source of wisdom. We learn not only about new places, but also about ourselves-our ability to adapt to different customs and meet new challenges. This stimulation is hard to give up. Even Ulysses, the archetypal adventurer, still longs in old age for one last journey. To follow knowledge like a sinking star, beyond the utmost bound of human thought.”

-Alfred Lloyd Tennyson

THE FOUR WAY TEST

:

In the things we say and do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
