PROGRAM : MEETING ON WEDNESDAY, August 20, 2008

VP John Cuccia presented today's speakers. First there was Farmingdale High School graduate Stephanie Zimmerman who was the winner of the Rotary's Halsey B. Knapp scholarship. Mr. Knapp was the head of SUNY Farmingdale and went on to become first VP of Rotary International. Stephanie Zimmerman excels at language and won the Long Island student language award. She was in the German Honor Society, the National Honor Society and the Village Pops among many other honors. She plans to attend SUNY Farmingdale in the fall studying nursing.

The second speaker was Lisa Mueller, who is a member of the Mineola/ Garden City Rotary. She is involved in Project Spirit which will promote alternate energy use. The City of Amsterdam, NY has been very receptive to this project. There are plans to build an alternate

energy education center, an alternate energy teen community center and a holistic health center in the city of Amsterdam. Ms. Mueller hopes to demonstrate by these projects that the use of wind, solar and tidal energy can greatly reduce our reliance on oil. Ted Firetog responded for the Rotary and thanked the speaker for her

informative talk about alternate energy sources.
